Inland Waterways Council

The Inland waterways Council starts its work in L'Escala with its first meeting. So far, we have members from the United Kingdom, the Netherlands, Norway and Germany. We again invite all members to appoint participants to this council, which might be crucial for the future role of historical vessels on domestic waterways in Europe

Haikutter-Regatta and MOU

EMH organized a successful voyage on the "Sarpen" in honour of the MOU from Nysted (Denmark) to Rostock (Germany) in late August.

Baltic Sea Conference

EMH met with representatives of Hanse Sail and the Major of the city of Rostock in August to organize a joint conference of EMH and the city of Rostock about the international cooperation of traditional ships in the Baltic Sea. The conference shall focus on the "Baltic Pass", a promotional webspace as well as on all aspects of the international travel with traditional ships. The conference shall take place 15th and 16th March 2019 in Rostock.
